

# AVENUES FOR ATTORNEYS AND LAW FIRMS TO PARTNER WITH CHILD USA

## PRO BONO AMICUS ADVOCACY

CHILD USA participates as amicus in cases all over the United States that are strategic for child protection. CHILD USA has opportunities for pro bono partners to assist our staff attorneys with substantive and procedural aspects of the briefs. In 2020, CHILD USA filed 17 amicus briefs with the generous support of our pro bono partners. You can access our amicus advocacy work at [childusa.org/amicus-advocacy](https://childusa.org/amicus-advocacy). If you or your firm is interested in learning more about partnering for amicus advocacy, please email us at [info@childusa.org](mailto:info@childusa.org).

## CLE SPONSORSHIPS

CHILD USA works with leading attorneys and law firms to produce our cutting-edge continuing legal education series. Topics in CLE courses are related to issues involving child sex abuse civil litigation. The wave of statute of limitations reform across the country means there are more opportunities for child sex abuse victims to bring their cases forward and more opportunities for lawyers to take on clients. Our CLE courses highlight trailblazing attorneys in this arena, and they provide expert training on the most effective strategies for lawyers to secure justice for survivors. You can find out more about our CLE program and register for available courses at [childusa.org/cle](https://childusa.org/cle).

We ask firms to make a \$7,500 contribution to CHILD USA to sponsor one of our online CLE courses. Sponsors pick the topic and select three presenting attorneys, and CHILD USA gets the course approved, advertises it to attorneys across the country, constructs the online platform, coordinates live & on-demand viewing, and includes firm logo/promotion throughout the process. Our courses have already provided over 650 hours of expert training across numerous states. To inquire about sponsoring a CLE course, please email us at [info@childusa.org](mailto:info@childusa.org).

# CHILD USA'S 5TH ANNIVERSARY AWARDS CELEBRATION

Each year, CHILD USA gathers friends and partners at a live event to honor brave survivors of child abuse & leaders in the field of child protection. The Awards Celebration functions as an opportunity to recognize the generosity of our supporters and reflect on strides forward for children, while also being CHILD USA's main fundraising event of the year.

Your sponsorship of this event makes our work possible. Join us on November 4, 2021, to celebrate at the Bellevue Hotel in Philadelphia, or join us virtually from the comfort of your home.
